

WOCA Maintenance Box

- for the maintenance of oiled wood surfaces

Preparing today for tomorrow

with
Maintenance
Paste

How to do...

Oiled floors should be regularly maintained - normally once a year, but more often when it comes to floors exposed to extremely hard wear.

- 1 Clean the floor with 125 ml Wood Cleaner mixed into 5 litre water. Leave the floor to dry for at least 8 hours. The floor must be completely dry.
- 2 Apply thin coat of Maintenance Paste onto 1-2 m² floor at the time with white polishing pad or cotton cloth. Use floor machine for distribution of Maintenance Paste for large areas.
- 3 Make sure that the Maintenance Paste is polished uniformly into the wood. Buffing continues until wood appears saturated and silk-mat. Apply more paste if necessary.
- 4 If a very mat finish is required, make buffing with cotton cloths under polishing pad. Let surface rest for 4 hours. Do not expose floor to water for 48 hours after finishing

All in one box...

- everything you need to clean and to rejuvenate your oiled wooden floor

Maintenance Paste is for the re-freshening and maintenance of oiled wood floors. The Maintenance Paste is also especially suitable for UV-oiled floors.

Natural Soap is a purpose-made quality soap, which due to its nourishing properties quickly closes the pores of the wood and protects against dirt and penetration of liquids.

Available in

The Maintenance Box is available in the colours natural and white.

Please notice!

Risk of self-ignition: Due to the risk of self-ignition it is important that oil wetted cloths are soaked in water and disposed of in a tightly closed container after use.

Regular cleaning

Natural Soap is ideal for the cleaning and maintenance of all oiled, waxed or soaped wood surfaces.

Natural Soap white is shaken carefully before use. 125 ml Natural Soap is mixed into 5 litre of lukewarm water. It is recommended always to work with 2 buckets: one with soap water and one with rinse water. Remove dirty soap water with hard wrung mop or cloth and rinse out in bucket with rinse water.

The box contains:

400 ml Maintenance Paste | 1 litre Wood Cleaner
1 litre Natural Soap | 1 pad | 1 cloth
